SUMMARY

- I'm a third-year AI And Data Science student, with strong analytical skills and a genuine interest in solving real-world problems using technology. I enjoy working in collaborative environments and pay close attention to detail in everything I do. Through my internships, I've earned hands-on experience in AI applications and database management, and I'm excited to continue learning and contributing to meaningful projects.

EXPERIENCE

AI & Tech Decentralized Intern

BlockseBlock

📅 08/2025 - 09/2025

Internship focused on AI and decentralized technologies

- Worked with large language models LLMs, acquired hands-on experience in AI applications and understand the real-world impact of AI-driven technologies.
- Collaborated remotely on research and development of AI-driven tools

Database Intern

RP Software Solutions

📅 01/2024 - 12/2024 📍 Erode, Tamil Nadu, India

Internship in database management

- Completed an internship focused on Database Management Systems. Acquired hands-on experience in designing, implementing, and optimizing relational databases using SQL

EDUCATION

Bachelor of Technology

Velalar College Of Engineering And Technology,
Department Of Artificial Intelligence And Data Science

📅 2023 - 2027 📍 Erode, Tamil Nadu, India

HSC

Jaycees MHSS, Erode

📅 2022 - 2023 📍 Erode, Tamil Nadu, India

SKILLS

Java	Python	SQL	C
Web Development		GitHub	
Canva	Notion		

PROJECTS

Learn-mate AI Chatbot

Chatbot for students.

- Created an LLM-based(Ollama) chatbot for students that generates flashcards and quizzes for easier learning.
- Developed a performance-analysis chatbot that evaluates student progress and provides academic improvement insights.

Deepfake Detection Model

- Deepfake Detection project focusing on AI- generated image identification
- Created a Deepfake Detection Model using Python, matplotlib and tensorflow capable of identifying AI-generated or manipulated images using deep learning techniques

ACHIEVEMENTS

- Completed NPTEL Elite (Privacy & Security in Online Social Media)
- Served as Polio Plus Vice Chairman at Rotaract Club of VCET for the year 2023-2025.
- Successfully organized and hosted an entrepreneurship awareness event for 200 students, featuring guest talks by startup CEOs.
